Request by the NIC for Two Unclassified Studies

25X1A9a

1. [redacted] of the OER/I called to say that Colonel Grogan had been talking with the NCI and found that the NCI had promised [redacted] (who apparently has recently returned from the Soviet Union) two short, unclassified studies, each two or three pages in length. 25X1X6 25X1X7

a. Soviet trade in Latin America.

b. Housing problems in the Soviet Union with special reference to the big apartment buildings, which [redacted] said extended sometimes 7 blocks. 25X1X6Á 25X1X6

2. There is no critical deadline, but when these two studies are completed, we will send them under buckslip to [redacted] who in turn will give them to Colonel Grogan, who in turn will hand them to the NCI, who in turn will present them to [redacted] 25X1A9a 25X1X6
